

Construction of Bathroom Facilities for a Community Center (SDAF 0014)

Construction of Bathroom Facilities for a Community Center

(SDAF 0014)

Project Description:

The community center in Barrio El Porvenir is a neighborhood project that serves multiple functions, including as a children's daycare for the *Club de Madres Santa Teresita*.

SDAF funded the construction of bathroom facilities and a kitchen area so that the center has the necessary amenities to fully function.
